

Glendale Memorial Hospital

Among the Nation's Best... 5 Consecutive Years!

Proven Quality. The True Measure of Success.

When it comes to your health, you deserve the best. Glendale Memorial Hospital, once again, is recognized as one of America's 50 Best Hospitals by HealthGrades – the nation's top independent healthcare ratings organization.

Glendale Memorial Hospital is:

- Among the Top 1% of all hospitals in the United States
- One of only 2 hospitals in California to be recognized with this honor
- One of only 29 hospitals in the country to have received this designation for 5 consecutive years!

To earn this distinction, quality of care has to be consistent and continuous, each and every day. Proven results are the true measure of success, and Glendale Memorial Hospital is proud to share our exceptional quality with you.
